M'CALLIE DRAMATIC
CLUB PRESENTS PLAY

A farce comedy in three acts, entitled "My Friend from India," was presented by the McCallie school dramatic club Thursday night at the Lyric. Each member of the cast sustained his role in a way highly creditable to amateurs, showing most excellent coaching.

The very appearance of J. Temple in the leading role of Augustus Keene Shaver, "My Friend from India," was greeted with outbursts of laughter.

Miss Alma Dickson as Marian Mayette, leading lady, sustained her part in a splendid way. Harry Stoops as a retired pork packer took a very important part and delighted the audience.

The minor parts of Tilly, a maid, and Jennings, a servant, as taken by Franklin Rushon and R. Carroll, were sustained in a way to add the realism to the story.

The young ladies assisting the McCallie school were Misses Emma Sue Smartt, Gertrude Llewellyn, Josephine McCleary and Alma Dickson. These young ladies all sustained their parts well. Others taking part were: M. C. Henderson, E. Spears, W. N. Wheeler and W. Haggard, all contributing their part to make up a most delightful evening to the audience.

Collar and Vest of Mighty Size

(By Betty Brown.)

With the encouragement they have met on every hand this spring the collar and vest in combination have great ambitions. The combination sketched here is one of the latest developments of the idea. It is of softest creamy wash satin, to wear with any gown, suit, or coat dress, and a huge black satin tie completes its distracting charm.

worth of bonds. The report of the treasurer showed substantial contributions to many local and national institutions. A committee of women has been making weekly visits to the camps and sewing for the hospitals, taking flowers, magazines, smokes and good cheer to the men.

A French orphan has been adopted by the council. The women were commended for assisting in all woman's work and were urged to continue to give support and service in every possible way to the government and soldiers.

COUNTRY GIRLS PROVE BETTER
BOXERS THAN CITY DAMELS

Chicago, May 17.—Camp Custer, Mich., now has 120 boxers who have dropped wand and dumb bell exercises for the more strenuous glove game. They are nurses with the base hospital attached to the cantonment of the Eighty-fifth division.

One knockout and nine decisions was the result of their first "card" here, one boxer succumbing to the deadly left of a co-worker.

Charles White, Chicago boxer and former instructor here, said almost every pupil in the nurses' class had a wicked left.

"Their uppercuts are good—sort of a natural blow," said Charley. "Their lefts are more natural for them than for men, but they can't land a straight one. When they try that the result is always a haymaker."

under the Red Cross committee. The following hospital committee to serve for the month of May was appointed by Miss Sarah Frazier, general chairman: Mrs. C. L. Carter, chairman; Mesdames John R. Pitzer, W. H. Trotter, C. E. Rudell, I. D. Steele, W. E. Wheeler, M. F. Pitzer, J. M. Holmway and Miss Mildred Wilbanks.

A report of the hospital work done last month was made by Mrs. D. M. Steward, chairman, who told of the visits made to the wards and the delicacies taken the men in the hospital.

GIRL-POWER FACTOR
TO BE RECKONED WITH

Wise One Will Cultivate Art of Mixing Soft Drinks and Selling Autos.

Girl power behind counters, in auto establishments, soda water fountains and other places, held down by men by virtue of a traditional right, will certainly be at a premium if report be true.

It is said that Sterchi Bros. will replace with girls four vacancies caused by the withdrawal by recent draft of four salesmen to Fort Thomas, Kentucky, this morning. It is also reported that Jo Anderson will reinstate a number of girls on the soft drink situation, and Thompson's restaurant has already given employment to several girls.

The wisecracks of girlhood who do not know how to shake up a "milkshake" will do well to cultivate the art as a possible departure from the stereotyped privilege of measuring yard lengths of ribbons and laces.

TOLBERT M'RAE TO
APPEAR IN CONCERT

Diversified Program to Be Directed by Mrs. John Lamar Meek Before Music Club.

Tolbert McRae, camp chorister and successor to Geoffrey O'Hara, will make his first formal appearance in concert Monday night on the final program for the Chattanooga Music club to be given in the courthouse auditorium, under the direction of Mrs. John Lamar Meek. An evening with Liza Lehmann, the English composer, and her work will be represented by transcriptions from "In a Persian Garden," built upon the "Rubaiyat" of Omar Khayyam, a musical version of "Alice in Wonderland," by Lewis Carroll, and the score of "The Happy Prince," a veritable "Alice" and the "Mad-Hatter" will greet the guests at the door.

Mr. McRae will be heard in solos from the "Persian Garden." Those singing the quartet of "Nonsense Songs" from "Alice in Wonderland," will be Mrs. John Lamar Meek, Mrs. Clyde Wilkins, J. Victor Golbart and I. Glenn Young. A feature of the evening, carrying much interest, will be the reading of the "Happy Prince," of Oscar Wilde, by Rev. W. W. McMinister, of Atlanta. Rev. McMinister is a reader of wide reputation, who will be remembered by Chattanooga from his masterly rendition of "Enoch Arden," given here a few years ago. The musical score will be played by Miss Lora Woodworth.

White started the nurses' boxing class over two months ago, the young women asking to it on the grounds that they would protect themselves against atrocities as the Germans have perpetrated in Belgium and France.

Posing, rope skipping, shadow boxing, bag punching and short boxing bouts constitute the training program. Only four of the number beginning the work have dropped out.

"It's been good for them," said White. "Some of my star pupils could give boys from the other classes a tough battle."

good order. The planola, donated by Mrs. J. T. Lupton, forms also another opportunity for having music at low cost.

COUGH TURNED
INTO BRONCHITIS

Before Taking Lung-Vita Nashville Man Could Not Sleep at Night.

"I had a very bad cough for about three years and something like two years ago it turned into what the doctors told me was bronchitis," says Mr. Henry Maney, who lives at 1203 Maple street, Nashville, Tenn., several days since.

"I took a great deal of medicine from the doctor and other remedies without number, it seemed to me. But I searched for relief in vain. I had seen Lung-Vita advertised in the newspapers and so finally decided to give it a trial. I commenced to take it and can testify that it has cured my bronchitis. Before starting on this remedy I could scarcely sleep each night for coughing and besides my cough I suffered with pains in my chest and in my side all the time. Now all of these have vanished and I feel fine."

Why not give Lung-Vita a chance to relieve your cough? It is harmless and can be taken by any one.

TO DARKEN HAIR
APPLY SAGE TEA

A few applications of Sage Tea and Sulphur bring back its vigor, color, gloss and youthfulness.

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all wish to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet requisite and is not intended for the cure, mitigation or prevention of disease.—(Adv.)

GREATER POWER GIVEN
LAITY OF CHURCH

Local Preacher Returns From Conference—Dr. Parker Followed Example of Father.

Rev. S. S. Catron, pastor of the North Chattanooga M. E. church, south, has returned from the general conference, in session at Atlanta, Ga., and will give his congregation some echoes of the conference Sunday morning.

Mr. Catron left Atlanta Wednesday night and had not heard that Dr. James Cannon was elected bishop instead of Dr. Parker, but he was much pleased with Dr. Cannon's election.

Mr. Catron said that he felt sure the demands the laymen were making for greater power in church government would eventually come. He said the action of the conference was not as broad as had been published, but yet it was a progressive step.

John H. Smith, of Nashville, one of the leaders in the laymen's movement, was in Chattanooga Friday. He has just returned from the conference and was much pleased with the results achieved. He said a majority of the preachers elected to the office of bishop were progressives and advocated more power to laymen.

A coincident of interest regarding the declaration of the office of bishop by Dr. F. N. Parker is the fact that his father, who was a member of the college of bishops, once declined the office. He was elected, but, like his son, declined, but four years later, was elected and accepted.
